This course ___ is _x_ is not an EOCEP Course. The S.C. State Department of Education mandates that an EOC exam counts as 20% of the yearly grade

Attendance Policy:

School Policy: a student may not miss more than ten days from a year-long course. Those ten days include parent's notes, suspensions, unexcused absences, administrative, or late arrival notes. After ten absences, a doctor's note or administrative excuse must be provided or the student will not receive credit for the course.

What to do if you miss a class:

Excused Absence: Quizzes cannot be made up but will not count against a student with an excused absence. If you have an excused absence, you will be able to make up all other work. Provision for make-up work is the student's responsibility and must be done outside of class within five (5) consecutive school days after the student returns to school.

Unexcused Absence: Make up work and tests for unexcused absences will not be accepted.

Academic and Behavioral Expectation

- 1.If Mr. Rogers, a guest speaker, or a substitute is addressing the class or a test is in progress, students should be silent. Otherwise, students may discuss class related information in low level voices. The noise level should never rise to the point that it is hard to hear.
- 2.Remain seated except with teacher permission.
- 3.Come to class prepared and use your class time for learning the subject.
- 4.All equipment in the classroom is off limits except with teacher permission.
- 5.Commit yourself to passing the AP Exam.
- 6.Be respectful to others at all times, especially to guests and visitors.
